At Clear Cut Tint, we're more than a window tinting service — we're a team driven by a passion for quality, innovation, and customer satisfaction. Founded in April 2024, Clear Cut Tint emerged from a vision to expand the horizons of Clear Cut Glass and create a dedicated tinting department. The transition was led by Sarah, a seasoned industry professional with over 10 years of experience. As the former owner of Nobility Glass Works, Sarah merged her expertise and dedication to start this new chapter, all while focusing on strengthening her family and career.
