At Cooper's Hawk, we understand that great wines begin in the vineyard. Our team travels the globe looking for the very best grapes and when they are particularly impressed - whether it be in Chile, France, California or Washington - they work with the wine grower to begin crafting our wine. We nurture each wine according to its individual needs to craft the best wine possible. It's this philosophy that has led to hundreds of national and international awards for our collection.

Our Tasting Rooms embrace the rich experience of Napa, providing guests the opportunity to explore and expand their palates and enrich their wine journey. High-end decanters, wine accessories, and gifts,

along with our very own marketplace, allow guests to live the Cooper's Hawk lifestyle at home.
